GOVERNMENT OF TRIPURA

Supporting Documents for implementation of Ease of Doing Business Reforms in the State of Tripura

2. Sl. No. in BRAP-2019:24

4. Recommendation : Enact a comprehensive uniform building code/building by-law with the following features:
   i. Prepare a uniform building code. The State may have separate sections within the uniform building code/building by-law which are applicable to specific geographic areas or areas under administrative control of different agencies/bodies
   ii. Applicable to all urban areas and industrial estates/parks in the State
   iii. Provisions for risk-based classification of buildings
   iv. Accreditation programs and clear responsibilities for professionals including architects and engineers engaged in the construction process along with qualifications for accreditation under the programsds.
